Directions--From the North:

The Spruce Creek Professional Center is off of Hwy 441 just north of The Villages. If traveling south, from Ocala or SR 42, it will be on your right. From that direction you can take a right at a road just before the light across from Wal Mart. A big sign says *Spruce Creek Professional Center and Spruce Creek Medical Center*. Turn right (white arrow on map) and you will immediately see a big sign listing the four buildings of Spruce Creek Professional Center. We are in the 400 building; Suite #402; Christine Rossiter is the name on the door.

If you miss this turn, turn right instead at the light across from Wal Mart (red stop on map). You'll see shops straight ahead called "*The Terrace Shoppes.*" Do not go in there. Instead, turn immediately right at the stop sign onto 109th Ave. Go past the Spruce Creek Medical Center on your left and continue past 177th Pl. Our building is in the second group, facing south.

Directions--From the South:

Turn left at the light across from Wal-Mart. (between McDonalds and CVS). Then follow the directions in the second paragraph above.

Blue Dot is Wal-Mart; Rd Stop is light on 441 across from Wal Mart; white arrow is turn off of 441 when heading south; red arrow is coming off that turn and ending at the office door.
